Before you start

How to use

Every message has fields in [BRACKETS]. Replace them with your details and adjust to your own voice.

- **Save them as quick replies** in Etsy, Instagram or WhatsApp Business to send them in seconds.
- **Price it before you reply:** use the Nivela 3D calculator to quote the right price, with channel fees included.
- **Complete and Business plans:** create the quote in the app and copy the ready-made text. On Business, send the link so the customer can approve it and the order is created automatically.

PART 01

Customer service

01 First reply

Hi [NAME]! This is [YOUR NAME] from [YOUR SHOP]. Thanks for reaching out! Tell me what you're looking for and I'll help.

02 Questions for a quote

To give you the right price, tell me: which piece, approximate size, color, quantity and when you need it?

03 After hours

Hi [NAME]! Got your message. I'm available [DAYS], [HOURS]. I'll get back to you first thing tomorrow — sound good?

04 Explaining the finish

The fine lines you see up close are part of 3D printing: the piece is built layer by layer. Here's a real photo so you can see the finish.

PART 02

Quotes and closing

05 Sending a quote

Here's your quote, [NAME]:
• [ITEM] — [COLOR] — [QTY] pcs
• Price: $[PRICE]
• Production: [LEAD TIME] business days
• Delivery: [METHOD/SHIPPING]
Valid for [X] days. Want me to reserve it?

06 Quote by link

I've put your quote with all the details at this link: [LINK]. If everything looks good, just click approve and I'll add it to the production queue.

07 When asked for a discount

I understand! The price covers material, machine hours and finishing, so I can't lower it. What I can do is [GIFT / BUNDLE / SHIPPING]. Does that work for you?

08 Following up a stalled quote

Hi [NAME]! Just checking if you had any questions about the quote for the [ITEM]. My production schedule for this week is filling up and I'd like to save your spot.

09 Asking for a deposit

To start production, I ask for a [50%] deposit ($[PRICE]) via [PAYPAL/VENMO/ZELLE] [HANDLE]. You pay the rest on delivery. I'll confirm as soon as it arrives.

10 Confirming payment

Payment received, thank you! Your order is in production and will be ready by [DATE]. I'll keep you posted at every step.

PART 03

Production and delivery

11 Sending a preview

Here's the preview of your custom piece. Can you check the name, color and size? I'll only start printing after your OK.

12 Order in production

News: your piece is on the printer! Here's a quick video so you can follow along.

13 Delay notice

[NAME], I want to give you a heads-up: I had a print issue and need to redo part of it. The new estimate is [DATE]. Sorry for the trouble — I'm prioritizing your order.

14 Order ready

Your order is ready! Would you like to pick it up at [PLACE] or have it shipped? Shipping to your ZIP code is $ [PRICE].

15 Tracking number

Your order has shipped! The tracking number is [TRACKING]. I'm here if you need anything.

PART 04

After-sale

16 Asking for a review

Hi [NAME]! Did the piece arrive OK? If you liked it, a review or a photo of it in place would help me a lot!

17 Asking for a photo and tag

If you can, post a photo and tag us on Instagram ([@YOURSHOP]). I'd love to see the piece in your home!

18 Solving a problem

I'm so sorry the piece arrived like that, [NAME]. Could you send me a photo? I'll make it right: I'll remake it and ship it at no cost to you.

19 Invite to buy again

Hi [NAME]! [HOLIDAY] is coming and I thought of you. I have [NEW ITEM] and, since you're already a customer, I'll put your order at the front of the queue.

20 Asking for referrals

Thanks for trusting my work! If you refer someone who places an order, you get [GIFT] on your next one.
